# Meet BlüCan

---

BlüCan gets its big sound from two integrated speakers using Vibration Resonance Technology (V.R.T.) to transfer sound waves to flat surfaces, creating bass and mids that normally require a separate subwoofer or stereo speaker. Place BlüCan on any surface like a desk, countertop or a sliding patio glass door and connect via Bluetooth or Aux-In to get powerful and lifelike performance from your favorite tunes and phone calls.

## 1. Safety First: Important Instructions

Before operating BlüCan, carefully read and follow the instructions below. Retain this User Manual for future reference. All warnings on the product and in the operating instructions should be observed.

- Do not place this product under direct sunlight or near heat sources, such as in a closed car or under sunlight. The outer casing of this component's product may become deformed and damaging electronic due to excessive heat. The battery could explode causing injury or death.
- Do not use BlüCan near moisture, humidity, or in the rain. Avoid using BlüCan in sauna or bathrooms. Water and moisture may cause short-circuit to the electronic components.
- Check and observe local laws regarding the use of a mobile phone and speakerphone while driving. To avoid any distractions, consider pulling over before making or answering a call. It is your responsibility to drive safely.
- Do not use this product near strong electromagnetic sources, such as a microwave oven. The electromagnetic interference may cause this product to malfunction.
- Do not drop, shock, or vibrate BlüCan. Strong impacts may damage the components inside.
- Due to BlüCan's VRT technology, the speaker may move during music play. Please securely place the product away from edges avoiding the product from falling.
- Do not insert cables other than designated ones listed in the

manual. The metal contacts inside can easily become damaged by foreign objects.

- Do not use an unknown power adapter other than the one supplied. Connecting this product to an unknown power adapter is very dangerous and may lead to fire or explosion.
- Do not cut, bend, modify, place heavy objects, or step on the power adapter cord. Otherwise the external insulation may be damaged and result in short-circuit or fire.
- If there are strange odors or heat emitting from this product or any signs of malfunction, turn off BlüCan immediately and contact us for support.
- Do not attempt to disassemble or modify this product. There are no user serviceable parts inside this product, and any unauthorized modifications will void the warranty. Opening the built-in battery compartment may lead to electric shock, resulting in injuries.
- Clean BlüCan only with a dry cloth. Before cleaning, please unplug the connection cable and turn the device to "OFF".
- While using this device in your automobile, please place the product away from the air bags. Serious injury may occur when an air bag deploys.
- Do not use the wireless connection on an airplane. Please follow all wireless regulations and safety rules accordingly.
- If disposing BlüCan, please comply with local regulations. Do not dispose of the battery with regular household waste.

## Help: Have Questions? We Got Answers.

---

### - **Why do I hear static coming from the speakers?**

There may be interference between the devices. Move the music source closer to the BlüCan, remove any obstacles to clear air space, and eliminate other wireless products in proximity.

### - **How do I clean the adhesive base?**

Turn off BlüCan, then use a lightly dampened micro fiber towel to clean the area carefully. Avoid any liquid contact with any electronic components.

### - **What can I use BlüCan with?**

Any audio device compatible with Bluetooth or 3.5mm auxiliary port (headphone jack). This list may include HDTV, smart phones, tablets, notebooks, PC and more! Refer to the product's user manual for details.

### - **How do I get more sound out of BlüCan?**

Put BlüCan anywhere in the house to find your preferred resonance surface. Our favorites are glass, wooden desk, and filing cabinets. Twist and extend the top tweeter for a bigger sound.

### - **Can I connect multiple devices at once?**

Bluetooth connectivity allows BlüCan to be paired with multiple devices. However, only one source can be played at any given time.

### - **My question is not answered, what can I do?**

Please call us, toll free, at 1-866-909-3550 for troubleshooting and warranty services. Please have the receipt information handy.

## GiiNii One Year Limited Warranty

---

### WARRANTY COVERAGE:

This warranty obligation is limited to the terms set forth below.

### WHO IS COVERED:

This product is warranted to the original purchaser or the person receiving the product as a gift against defects in materials and workmanship as based on the date of original purchase ("Warranty Period") from an Authorized Dealer. The original sales receipt showing the product name and the purchase date from an authorized retailer is considered such proof.

#### **WHAT IS COVERED:**

This warranty covers new products if a defect in material or workmanship occurs and a valid claim is received within the Warranty Period. At its option, the company will either (1) repair the product at no charge, using new or refurbished replacement parts, or (2) exchange the product with a product that is new or which has been manufactured from new, or serviceable used parts and is at least functionally equivalent or most comparable to the original product in current inventory, or (3) refund the original purchase price of the product. The Company warrants replacement products or parts provided under this warranty against defects in materials and workmanship from the date of the replacement or repair for the remaining portion of the original product's warranty. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes the company's property. When a refund is given, your product becomes

the company's property. Replacement product can only be sent if all warranty requirements are met. Failure to follow all requirements can result in delay.

#### **WHAT IS NOT COVERED – EXCLUSIONS AND LIMITATIONS:**

This Limited Warranty applies only to the new products that can be identified by the trademark, trade name, or logo affixed to it. This Limited Warranty does not apply to any non-GiiNii hardware product or any software, even if packaged or sold with the product. Non-GiiNii hardware manufacturers, suppliers, or publishers may provide a separate warranty for their own products packaged with the bundled product. The Company is not liable for any damage to or loss of any programs, data, or other information stored on any media contained within the product, or any non-GiiNii product or part not covered by this warranty. Recovery or reinstallation of programs, data or other information is not covered under this Limited Warranty.

This warranty does not apply (a) to damage caused by accident, abuse, misuse, neglect, misapplication, or non-GiiNii product, (b) to damage caused by service performed by anyone other than an Authorized Service Location, (c) to a product or a part that has been

modified without written permission, or (d) if any serial number has been removed or defaced, or (e) to a product, accessories or consumables sold "AS IS" without warranty of any kind by including refurbished GiiNii products sold "As IS" by some retailers.

**THIS LIMITED WARRANTY DOES NOT COVER:**

- Shipping charges to return defective product.
- Labor charges for installation or setup of the product, adjustment of customer controls on the product, and installation or repair of any part outside of the product.
- Product repair and/or part replacement because of improper installation or maintenance, connections to improper voltage supply, power line surge, lighting damage, retained images or screen markings resulting from viewing fixed stationary content for extended periods, product cosmetic appearance items due to normal wear and tear, unauthorized repair or other cause not within the control of the company.
- Damage or claims for products not being available for use, or for lost data or lost software.
- Damage from mishandled shipments or transit accidents when returning product.
- A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged by these modifications.
- A product used for commercial or institutional purposes (including but not limited to rental purposes).
- Product lost in shipment and no signature verification receipt can be provided.
- Failure to operate per Owner's Manual.
